

the perfect match

the prisma promise

“When you have an urgent requirement, we will pull out all the stops to keep your plant running.”

Prisma Colour Ltd

With 17 years experience supplying colouring solutions to the plastic, rubber, paint and ink industries, Prisma Colour offers products adapted for your specific requirements.

Every customer application is assessed and matched to ensure the ideal colour match using our extensive in-house knowledge.

Our knowledge of the colouring supply chain means we shop around on your behalf to ensure your application needs are met at the lowest possible cost.

With a group capacity of 15000 tonnes per annum across our flexible manufacturing units we respond to any order size. Prisma Colour has all capabilities in-house ensuring that orders are fulfilled with the shortest lead times.

Our ISO9001 accredited laboratory and manufacturing facilities operate with 100% inspection to ensure your product is right first time.

We offer bespoke products and commit to work with you to ensure you get the best solution delivered with the best service.

Contact Prisma Colour to experience the perfect match for your colouring needs.

THERMOPLASTIC MASTERBATCH & COMPOUNDS

Fully integrated to meet your needs

The Prisma Thermoplastics Division manufactures colourant and additive masterbatch, polymer compounds & grinds polymer all under one roof.

Our laboratory team will formulate a masterbatch for your polymer base at the ideal trade off between cost and performance by using our extensive materials database and supplier network.

We will work with you to develop a compound to meet your specific requirements. We also offer advice on polymer and additive selection.

- Polymer specific masterbatch – PE, PP, PS, PC, PA, TPU, TPE, POM, PMMA, ABS, SAN, PET, PBT, EVA
- Universal colour masterbatch
- Additive masterbatch
- Technical thermoplastic compounds
- Rotational moulding powders
- Polymer powders

Our manufacturing facility offers the highest level of service, quality and lead time to ensure your needs are met first time, every time.

Please contact our sales and technical team for a cost effective technical solution to meet your requirements.
